RADIO PROGRAM THE PRESENT TRUTH

SOWING FOR ETERNITY

Mrs. Silva lives in the Guayabitos neighborhood of the municipality of Tlaquepaque. For several years, she has listened to the Radio La Verdad Presente program broadcast in the Guadalajara metropolitan area every week. She contacted us requesting a large-print Bible along with the books we give away. We agreed on a day and time to visit her personally. We arrived at her home and she kindly welcomed us along with her husband. She told us that the topics presented on the program help her find peace and joy in the most difficult moments of her life. She has listened and learned that Jesus is coming very soon and wants to prepare herself and her family to be ready. Her husband has been blind for several years. The program gives them hope and the assurance that God is watching over them. They would like us to have more programs during the week and for it to never end because it is a great blessing for their lives and for the listeners. Mrs. Silva was very happy with our visit, and when we gave her the books, she allowed us to take a photo to share and thank you for your continued help so that many people can continue to hear the Gospel of Salvation through the radio program. We thank God for allowing us to serve and you for your trust throughout 2025. May our Lord Jesus fill you with peace and blessings in 2026. ¡Maranatha!

THE HOLY SPIRIT AT WORK

The truth, ignoring those who despise and reject it, will triumph. Although it has sometimes seemed to suffer delays, its progress has never been stopped. When God's message struggles with opposition, He gives it additional strength so that it can exert greater influence... Endowed with divine energy, it will be able to break through the strongest barriers and triumph over every obstacle. The Acts of the Apostles, 480 (1911).

Delivery of books and a Bible to a radio listener at his workplace in Guadalajara.

A moment of gratitude at Bethesda House with the church and those who accompanied us.

The love of the Father, presented by Pastor Haroldo Cortez from the HK960 AM radio booth.

Radio programs, free literature, various digital platforms, and **other missionary activities** require a lot of help. It is by **God's grace and your weekly and monthly support** that we can continue to move forward in **proclaiming the Three Angels' Messages**. May God help us to be faithful servants until the end. **We gratefully acknowledge your support**, your prayers, and every offering that helps **us continue to proclaim the Gospel** in Guadalajara, Mexico, and in so many other places.

!!!Our Lord Jesus is coming very soon!!!
