RADIO PROGRAM "THE PRESENT TRUTH"

SOWING FOR ETERNITY

We visited Mr. Felipe Padilla because he requested the radio program *The Conflict of the Ages and The Way to Christ*. When we arrived at his home, he welcomed us warmly and invited us in to talk. He told us that he has been listening to the program for several years where he currently lives outside the city in the Navajas community in the municipality of Tala, Jalisco. In 2020, during the pandemic, Mr. Felipe and his wife left the city to live in the mountains, where only three radio stations can be received. He began listening to the program *The Present Truth* on one of them and liked it very much. He told us that he used to be a pastor at a Christian church in Guadalajara, but due to the pandemic, they had to close it because they were not allowed to gather. For this reason and out of faith, they left to live in the countryside. Many years ago, he heard about the book *The Great Controversy* and the important message in its pages. When he heard on the radio program that it was being given away, he did not hesitate to contact us to request it, as it would be a great blessing to read and study it. He allowed me to take a photo of him with my son to share with you the testimony of the work of the Holy Spirit in reaching people who need to know more about the second coming of Jesus. Thank God and thank you for being part of this wonderful mission. Maranatha!!!

THE HOLY SPIRIT AT WORK

Make the most prudent plans so that the work will be successful. Decisive efforts must be made to open new fields in the north, south, east, and west... Because the presentation of the truth has been neglected for so long, **our ministers and workers should feel stimulated to go to these fields** and not abandon the work until they have clearly proclaimed the message.—Manuscript 11, 1908.

The weather is presented today during Divine Worship at the Church of Zapotlanejo Jalisco.

Saturday gathering at the Revolution house with some friends from the radio program.

Worthy fruits presented by Ruben Anaya on the DK1250 AM radio station.

Radio programs, literature giveaways, various digital platforms, and **other missionary activities**, require many resources. **It is by God's grace and your weekly and monthly support** that we are able to continue moving forward in **proclaiming the Three Angels' Messages**. May God help us to be faithful servants until the end. **Thank you for your continued support**, prayers, offerings, and donations to continue proclaiming the **Everlasting Gospel** in Guadalajara.

Our Lord Jesus is coming very soon!!!
